

## TO USE POLLY DANGER'S GARDEN FLAGS:

1. Write the name of plant on the flag with a permanent marker.
2. Cover the flag portion of the page with clear contact paper.
3. Cut out flags 1/8" outside of the lines.
4. Attach flags to bamboo skewers or floral wire (use more contact paper, staples, or non water-soluble glue).
5. Place in with your seeds or cuttings!
